- Dr. Brommage makes difficult course content accessible and easy to understand for students of all academic backgrounds. If you are struggling in class, he makes himself accessible (office hours, after class, etc) and is happy to help explain. He always encourages group discussion and using higher-level reasoning. Dr. Brommage is exceptionally knowledgeable, patient, and witty. I would highly recommend him to anyone seeking a challenging, yet enjoyable class which will reward them with the ability to apply critical thinking in the real world.
